Empowering Global Talent to Lead the Future of Islamic Fintech

AlHuda Centre of Islamic Banking and Economics (CIBE) is a globally recognized name in the Islamic finance industry, offering cutting-edge advisory, consultancy, and education services. With a presence in over 100 countries, AlHuda CIBE has been a pioneer in capacity building and innovation for more than 20 years. After successfully concluding eight batches of our Global Virtual Internship Program in Islamic Banking and Finance, we are delighted to announce our first specialized internship program in Islamic Fintech. This program is designed to equip the next generation of professionals with practical expertise in the rapidly evolving field of Islamic Fintech.

About the Program

AlHuda CIBE introduced its virtual internship program during the COVID-19 pandemic to support students unable to fulfill their degree requirements through traditional internships. Since then, the program has grown exponentially, attracting participants from around the globe. This 9th batch marks our inaugural internship focused exclusively on Islamic Fintech, offering interns the opportunity to explore the latest trends, innovations, and opportunities in this dynamic sector.

The two-month program enhances participants' practical knowledge through professional training, interactive webinars, and hands-on projects. Interns will collaborate with peers worldwide, gaining exposure to global Islamic finance networks. To date, AlHuda CIBE and its sister organization, Halal Research Council, have organized 300+ webinars and training programs, engaged participants from 140+ countries, and trained 4,000+ interns across nine batches.

Program Highlights

- **Specialized Fintech Focus:** Dive deep into Islamic Fintech, including blockchain, digital banking, cryptocurrency, and Shariah-compliant fintech solutions.
- **Real-World Projects:** Engage in case studies, market research, and Shariah compliance assessments tailored to fintech innovations.
- **Expert-Led Sessions:** Learn from industry leaders, scholars, and fintech pioneers through interactive workshops and discussions.
- **Global Networking:** Connect with interns, professionals, and researchers worldwide to foster collaboration and cross-cultural learning.
- **Skill Development:** Sharpen critical thinking, problem-solving, communication, and digital marketing skills.
- **Prestigious Certification:** Earn a globally recognized certificate from AlHuda CIBE upon successful completion.

Program Structure

The program is structured into five key phases, blending theoretical knowledge with practical application:

- **Orientation & Foundations**
 - o Orientation session and introduction to Islamic Fintech.
 - o Core principles of Islamic banking and finance.
 - o Takaful (Islamic insurance) and its fintech applications.
