Empowering Global Talent to Lead the Future of Takaful and Islamic Finance

AlHuda Centre of Islamic Banking and Economics (CIBE) is a globally recognized institution in Islamic finance, renowned for its advisory, consultancy, and educational services. With a presence in over **100 countries** and two decades of pioneering work in capacity building, AlHuda CIBE is proud to announce its **9th Global Virtual Internship Program**, now with a specialized focus on **Takaful (Islamic Insurance)**. This program is meticulously designed to equip participants with cutting-edge knowledge and hands-on experience in Takaful and Re-Takaful, preparing them to lead the future of Shariah-compliant insurance solutions.

About the Program

Launched during the COVID-19 pandemic to support students unable to pursue traditional internships, AlHuda CIBE's Virtual Internship Program has since evolved into a global initiative. Over **4,000 interns** from **140+ countries** have participated across nine batches, benefiting from **300+ webinars** and training programs. This **9th batch marks a dedicated focus on Takaful**, offering interns unparalleled exposure to:

- Principles and operations of Takaful and Re-Takaful.
- Shariah compliance in Islamic insurance.
- Innovations in risk management, pricing, and product development.
- Global best practices and market potential for Takaful solutions.

Through a blend of expert-led sessions, case studies, and collaborative projects, interns will gain practical insights into the rapidly growing Takaful industry, valued at over **\$40 billion globally**.

Program Highlights

- **Specialized Takaful Curriculum**
 - o Dive deep into Takaful models (Mudarabah, Wakalah, Hybrid), Re-Takaful, and emerging trends like Fintech-driven Takaful.
 - o Explore Shariah governance frameworks and compliance standards.
- **Real-World Projects**
 - o Analyze case studies on Takaful implementations (e.g., family Takaful, health Takaful).
 - o Conduct market research to identify growth opportunities in your region.
- **Expert-Led Learning**
 - o Interactive sessions with Takaful scholars, industry leaders, and regulators.
 - o Webinars on topics like risk management, actuarial practices, and digital Takaful.
- **Skill Development**
 - o Enhance report writing, data analysis, and social media marketing skills.
 - o Develop strategic plans to promote Takaful products.
- **Global Certification**
 - o Receive a prestigious certificate from AlHuda CIBE, recognized by Islamic finance institutions worldwide.

Program Structure

The program is structured into five key phases, blending theoretical knowledge with practical application:

Phase 1: Orientation & Foundations

- o Orientation: Overview of AlHuda CIBE and Takaful's role in Islamic finance.
- o Core Principles: Takaful vs. conventional insurance, Shariah compliance, and key operational models.
- o Global Practices: Comparative analysis of Takaful markets (GCC, Southeast Asia, Africa).

Phase 2: Practical Application

- o Case Studies: Evaluate successful Takaful implementations (e.g., Takaful Malaysia, Salama).
- o Shariah Audit: Assess compliance for a Takaful operator in your region.
- o Market Research: Identify gaps and opportunities in underserved markets.

Phase 3: Professional Development

- o Social Media Campaign: Design content to raise awareness about Takaful.
- o Marketing Plan: Propose strategies to expand Takaful penetration in your country.

Phase 4: Networking & Career Growth

- o Industry Sessions: Engage with CEOs of Takaful firms and regulators.
- o Career Workshops: Explore roles in underwriting, actuarial science, and Shariah advisory.

Phase 5: Certification

- o Submit a comprehensive report on Takaful innovations and market potential.
- o Present findings in a final Q&A session.
