It is good to note the warm public response to State Bank efforts in Islamizing the Banking System of the Country. We hope that **AlHuda** effort for promotion of Islamic Banking through holding training programs at **Alhuda** cibe and organizing Seminars will continue for the benefit of this industry.

Shamshad Akhtar.
Governor
State Bank of Pakistan.

Allow me to express my thanks to **AlHuda**. Mr. Zubair Mughal (Director AlHuda) has been in touch with me for 3-4 Years. The truth is that my presence here is on account of his commitment with Islamic Banking. He has taken up the subject seriously and after due consideration. I feel that we should promote and encourage the people in his serious effort. It is not the job of a single institution or a single person. Ever increasing number of persons to promote Islamic Banking shall help expand this cause. In a way, **Alhuda** has shared our burden.

Pervaiz Said
Head of Islamic Banking Department,
