Islamic Microfinance Help Desk

Vision and Mission

AlHuda-CIBE is an organization committed to facilitate and strengthen the microfinance industry through Islamic products development, innovation awareness, Shariah expertise & supervision, standardization and provision of Technical assistance. Basic purpose of establishing Islamic Microfinance Help Desk (IMFHD) is to strengthen the institutions working for the poverty alleviation in Shariah Compliant way, so that they could work for the cause of uplifting the poor, bringing a change in their lifestyle and to get the society rid of poverty by giving the poor a feeling of belonging.

Islamic Microfinance Help Desk

Islamic Micro Financial Services

Islamic Micro-finance Helpdesk is established by AlHuda-CIBE with the objective to provide the technical and Shariah guidance to the local and international micro-finance institutions in the transition process of conventional micro-finance structure into Shariah compliant micro-finance or establish new Islamic Microfinance institutions/divisions.

Our Islamic Micro Finance Services are:

- Shariah Advisory and Supervision Services
- Development for Islamic Microfinance Institution/Bank
- Islamic Microfinance Product Development
- Capacity Building through Trainings and Awareness
- Innovation and Research
- Networking and Awareness
- Publication & Reports

Islamic Microfinance Help Desk

Islamic Micro Financial Services

Shariah Advisory and Supervision Services

AlHuda-CIBE offers the Shariah services under the umbrella of Islamic Microfinance Help Desk (IMFHD) including Shariah Advisory, Shariah Audit & Review, Shariah Vetting of Products and Documentation for Microfinance institutions

under the supervision of seasoned Shariah Scholars and experienced advisors.

Development for Islamic Microfinance Institution/Bank

Islamic Microfinance Help Desk also intends to facilitate the institutions in the development of Islamic Microfinance Mechanisms, organizational design Structures, Islamic Microfinance Products, Documentation and Staff Trainings in these areas towards the establishment of Islamic Microfinance Institution/ Bank.

Islamic Microfinance Product Development

We seek to establish innovative Islamic Microfinance Products in line with our strong social commitments. We are committed to invest our resources in achieving the goals of expanding the outreach of our clients within their target markets and developing appropriate Islamic Financial products to address effectively our clients' requirements.

Capacity Building through Trainings and Awareness

The objectives of AlHuda-CIBE Islamic Microfinance training program includes bringing new courses to the region, building a cadre of certified professionals who can only serve the industry but also offer the stakeholders and members high quality learnings by disseminating their experiences in Islamic Microfinance. AlHuda-CIBE is pleased to introduce a distance learning training program "Certified Islamic Microfinance Manager".

Innovation and Research

To foster innovations in the microfinance sector IMFHD leads through research and highlights dynamic trends in technological developments, products diversification and new financial services.

Networking and Awareness

To improve the awareness of Islamic Microfinance internationally and create a forum to share experience and knowledge to build confidence and improve the self-sufficiency, transparency and effective management in a sustainable manner. The overall objective is to promote linkages among the Islamic micro-entrepreneurships to develop the sector by consolidating micro economic resources in a professional and positive manner.
