About Islamic Finance Industry

The global Islamic finance industry grew year-on-year by of 14% to USD 2.88 trillion, in assets in 2019, based on figures reported for 56 countries, mostly in the Middle East and South and Southeast Asia. Iran, Saudi Arabia and Malaysia remain the largest Islamic finance markets in terms of assets, while Cyprus, Nigeria and Australia saw the most rapid growth. Malaysia, Bahrain and the UAE again led the 131 countries assessed in terms of the Islamic Finance Development Indicator score, which aggregates indicator scores for Quantitative Development, Knowledge, Governance, Corporate Social Responsibility and Awareness. The crowned emerging Islamic finance markets which had most improvements in their financial and supporting ecosystems include Iraq, Suriname, Nigeria and Ethiopia. Digitalization has emerged as a major trend across different sectors of the Islamic finance industry, just as it is similarly shaking up the global financial system. Taking into consideration the performance of each sector of the Islamic finance industry and the development of its surrounding ecosystem, the report sees potential for the industry to grow USD 3.69 trillion by 2024 in terms of assets.

About Turkey

Turkey, situated at the crossroads of Europe and Asia, boasts a rich tapestry of history, culture, and natural beauty. As a bridge between East and West, Turkey offers a unique blend of modernity and tradition, with bustling metropolises like Istanbul, ancient ruins such as Ephesus and Troy, and stunning landscapes ranging from pristine beaches along the Mediterranean coast to the otherworldly rock formations of Cappadocia. With a diverse population reflecting its multicultural heritage, Turkey is known for its hospitality, vibrant cuisine, and vibrant arts scene. Despite periodic economic and political challenges, Turkey remains an important player in regional geopolitics and a dynamic emerging market with significant potential for growth and innovation.
