## About Malaysia

Malaysia stands as a global leader and pioneer in the Islamic finance industry, with more than three decades of proven experience and a well-established, comprehensive ecosystem. Supported by strong regulatory oversight from Bank Negara Malaysia, the country hosts 16 Islamic banks and commands a significant share of the global Islamic finance market. Malaysia is internationally recognized for its innovation in Sukuk (Islamic bonds) and Takaful, with Islamic banking assets accounting for over 27% of the total banking system—reflecting a resilient, stable, and sustainable growth model. With its forward-looking focus on green finance, digital fintech, and ethical, value-based financial solutions, Malaysia continues to serve as a key international hub for Islamic financial services.

## About Exposure Visit

An exposure visit serves as a strategic learning tool designed to enhance professional knowledge through direct engagement with industry stakeholders. In the context of Sukuk and the Islamic Capital Market, this visit facilitates knowledge exchange between experienced institutions and visiting professionals. It emphasizes best practices, real-world applications, and the foundational principles of Islamic finance.

Our tailored exposure visit program provides participants with immersive, practical insights into key components of the Islamic capital market—particularly focusing on Sukuk structures, issuance processes, regulatory frameworks, and market dynamics. Participants will also gain exposure to interconnected segments of the Islamic finance ecosystem, including Islamic banking, Takaful, and Islamic microfinance. The itinerary will be further enriched through academic interaction with leading Islamic finance education providers and top-ranked universities, ensuring a holistic and enriching professional development experience.

## Exposure Visit Timeline

- Orientation
- Classroom Training (2 Days)
- Interactive Session with different industry (2 Days)
- City Tour (1 Day)

The Malaysia exposure visit will focus on key segments of the Islamic finance industry, offering participants the opportunity to interact with leading institutions and gain firsthand knowledge of industry practices. The itinerary includes visits to:

- Islamic Banks
- Microfinance Institutions
- Association of Islamic Banking and Finance
- Islamic Finance University
- Takaful Companies

**\*These will be the tentative industry programs and may vary slightly. Flight and Visa expenses will not be included in the cost.**

# Program Agenda

## Two-Days Training & Exposure Visit Program Outline March 26-30, 2026

### Session I: Overview of Islamic Finance Ecosystem

- Principles of Islamic finance
- Global landscape of Islamic banking, Takaful, Sukuk and capital markets
- Key growth drivers and international trends

### Session II: Islamic Banking – Products & Operations

- Islamic banking models and business structures
- Core products: Murabaha, Ijarah, Musharakah, Mudarabah
- Risk management and governance in Islamic banks
- Case study: Successful Islamic banking practices

### Session III: ShariaH Governance & Regulatory Framework

- Role of Sharia Supervisory Boards
- International standards (AAOIFI, IFSB)
- Regulatory approaches across key Islamic finance jurisdictions

### Session IV: Takaful – Models & Market Practices

- Fundamentals of Takaful and risk-sharing principles
- Takaful models: Wakalah, Mudarabah, Hybrid
- Family Takaful vs General Takaful
- Integration of Takaful with banking and capital markets

### Session V: Sukuk – Structures & Applications

- Sukuk vs conventional bonds
- Common Sukuk structures (Ijarah, Murabaha, Wakalah, Musharakah)
- Sukuk issuance process and lifecycle
- Case studies of sovereign and corporate Sukuk

### Session VI: Islamic Capital Markets & Investment Products

- Islamic equity screening and indices
- Islamic funds, ETFs, and REITs
- Role of Islamic capital markets in economic development
- Emerging trends: ESG, sustainable and green Sukuk

### Session VII: Strategy, Innovation & Way Forward

- Cross-border opportunities in Islamic finance
- Innovation and digitalization in Islamic financial services

## Key Objectives of the Exposure Visit

- To enhance strategic understanding of Islamic finance principles and practices across Islamic banking, Takaful, Sukuk, and Islamic capital markets in a global context.
- To provide practical exposure to leading Islamic financial institutions, enabling participants to observe real-world applications of Sharia-compliant financial models.
- To strengthen executive-level competencies in structuring, managing, and innovating Islamic financial products and services.
- To develop insights into regulatory frameworks, governance, and Sharia compliance, including the role of Sharia boards and international standards (AAOIFI, IFSB).
- To explore best practices and emerging trends in Islamic capital markets, Sukuk issuance, risk management, and sustainable Islamic finance.
- To foster knowledge exchange and professional networking with industry leaders, regulators, scholars, and practitioners in Islamic finance.
- To promote ethical, inclusive, and sustainable financial solutions in line with the objectives of Sharia (Maqasid al-Sharia).
- To bridge the gap between theory and practice through case studies, institutional visits, and executive interactions.
- To enhance institutional capacity and leadership readiness for implementing Islamic finance solutions in domestic and international markets.
- To support cross-border collaboration and global integration of Islamic financial markets.

## Key Benefits of Participation

- **Gain Access to Leading Industry Practices**  
Learn from established Islamic financial institutions and observe global best practices in Sharia-compliant banking, Takaful, Sukuk structuring, and capital market operations.
- **Explore Emerging Opportunities in Islamic Capital Markets**  
Identify new growth areas, innovative instruments, and cross-border investment opportunities within the rapidly expanding Islamic capital market ecosystem.
- **Deepen Technical Understanding of Sukuk Structures**  
Enhance practical knowledge of Sukuk frameworks, structuring techniques, risk considerations, and regulatory requirements through expert-led sessions and real-world case studies.
- **Strengthen Institutional Readiness for Growth**  
Build executive capabilities to support product innovation, market expansion, and effective implementation of Islamic finance solutions within your organization.
- **Support Long-Term Institutional Sustainability**  
Align organizational strategies with ethical finance principles, ESG considerations, and the objectives of Sharia (Maqasid al-Sharia) to ensure sustainable growth.
- **Engage with Industry Leaders and Innovators**  
Network with senior practitioners, regulators, scholars, and innovators to exchange insights, share experiences, and build valuable professional relationships.

## Who Can Attend

This program is designed for professionals and decision-makers involved in, or seeking to explore, the Islamic finance and capital market sector, including:

- Banking and Takaful Executives
- Investment and Capital Market Professionals
- Regulators and Policy Makers
- Corporate Finance and Treasury Leaders
- Consultants, Advisors, and Industry Specialists
- Academics and Researchers
