About Takaful Consultancy Wing

The Takaful Consultancy Wing is a specialized and dynamic division of AlHuda CIBE, dedicated to providing comprehensive advisory and consultancy services across all areas of the Takaful industry. Managed by a team of seasoned and highly qualified Takaful professionals, the wing offers end-to-end support for both new and existing Takaful operators. Its services include conducting familiarization and training sessions, developing Shariah-compliant Takaful products, and offering prompt responses to industry-related FAQs. The wing also assists in establishing new Takaful companies, securing optimal Takaful coverage, and implementing fully integrated Takaful-specific IT software solutions for contribution, claims, accounting, and MIS reporting.

Selection Criteria

The selection criteria for the Global Takaful Awards, in alignment with the global Takaful industry, are grounded in a robust and transparent methodology led by AlHuda CIBE's comprehensive research process. At the core of this approach lies a dual nomination system. The first path is self-nomination, where institutions and individuals from the industry submit their applications to be considered for specific award categories. The second path involves research-based nominations, where AlHuda CIBE's dedicated research team identifies and recommends potential candidates to the Nomination Committee based on their demonstrated excellence, innovation, and impact in the Takaful and Re-Takaful sectors. These prestigious awards are designed to create a level playing field, offering industry stakeholders the opportunity to showcase their achievements, enhance their brand visibility, and contribute to the overall growth and recognition of the global Takaful ecosystem through various media and communication channels.
