## AIHuda CIBE

Towards the pursuance of our goal to promote Islamic Banking and Finance all over the globe, AIHuda Centre of Islamic Banking and Economics is working diligently since 2005. AIHuda CIBE has been acknowledged as a distinguished service provider due to our notable services, team of dedicated professionals and one stop solutions of interest-free Banking and Finance. Our aim is to provide state-of-the-art services of interest-free banking and finance. We are proud to be prominent for our Advisory and consultancy, research and development, education and capacity building, Shariah advisory, publication and events all over the world.

AIHuda CIBE is supported by many national and international organizations and institutions as Strategic Partners support and our Alumni have spread over 100+ countries. We are proud to stand among world's largest presences for capacity building, trainings, consultancy and other services. More details are available at [www.alhudacibe.com](http://www.alhudacibe.com)

## About Islamic Fintech

Islamic Fintech is a rapidly growing sector that combines the principles of Islamic finance with innovative technology. It offers financial products and services that comply with Shariah law, promoting ethical and socially responsible practices. Islamic Fintech platforms provide accessible and inclusive solutions, such as halal investment options, interest-free lending, and transparent transactions. By adhering to Islamic principles, this emerging industry caters to the needs of Muslim consumers worldwide while attracting interest from a diverse range of investors seeking ethical financial alternatives.
