About Togo

Togo is a small West African country bordered by Ghana, Benin, and Burkina Faso, with a narrow coastline along the Gulf of Guinea. Despite its rich cultural heritage and strategic location with a key port in Lomé, Togo remains one of the world's low-income countries, with much of its population relying on subsistence agriculture. The economy is gradually diversifying, with growth in mining (especially phosphates), trade, and infrastructure development. Politically, Togo has experienced periods of instability, but recent years have seen efforts toward reforms and economic improvement. While challenges like poverty, limited healthcare, and education persist, Togo holds potential for progress with continued investment and development.
