About Islamic Banking & Finance

Islamic Banking and Finance has been a hope for the purified financial system around the globe and is being considered as the best option to address the damages of interest based system in banking and financial industry. The growth indicators for Islamic Banking and Finance ensure its strength and global acceptance. Importantly the recent global finance crises have proved the rationality behind Islamic Banking and Finance when no substantial damage to the Islamic Banking and Finance industry was evidenced in consequences of such global finance crises. Beside the appreciable growth indicators in Islamic Banking and Finance the lack of human capital and skilled personnel have been the critical areas which require immediate attention.

About United Kingdom

The United Kingdom, made up of England, Scotland, Wales and Northern Ireland, is an island nation in northwestern Europe. England – birthplace of Shakespeare and The Beatles – is home to the capital, London, a globally influential center of finance and culture.
