Forum Program Agenda

 August 22, 2026  London, United Kingdom

Registration & Inauguration

- Recitation from the Holy Qur'an
- Welcome Address & Keynote: "The Future of Islamic Finance in Europe"
- Guest of Honour Remarks & Formal Inauguration Ceremony

Session 1

Evolving Landscape of Islamic Banking in the UK & Europe

- Market growth trajectory, competitive benchmarking & regional overview
- Regulatory evolution: FCA, PRA, and the future of Islamic finance policy in the UK
- Integration pathways: Islamic finance within conventional banking infrastructures
- The Fintech revolution: Open banking, AI, and digital transformation in Islamic finance

Session 2

Sukuk & Shari'ah-Compliant Capital Markets

- Sukuk structures, issuance pipelines, and market opportunity in the UK and Europe
- Islamic capital markets: Ethical investment products and Shari'ah-screened portfolios
- The role of institutional and sovereign investors in driving market depth and liquidity
- ESG and Shari'ah convergence: Unlocking green and sustainable Islamic finance

Session 3

Takaful, Micro-Finance and Financial Inclusion

- Takaful expansion in non-Muslim-majority markets: Growth drivers and market entry strategies
- Innovative Takaful and micro-Takaful models serving underserved and low-income segments
- Islamic microfinance as a vehicle for sustainable economic empowerment and SDG achievement
- Regulatory adaptability and the path to mainstream Takaful recognition in Western markets
